**Subject:** New RAF Charter

Yesterday Dr. Burke signed the new RAF charter. It is attached for your information. Tomorrow we will post it on the OSA website. I want to thank everyone for participating in this process. Although it took longer than I could possibly imagine, I think we got it right. The process also showed how passionate members are about the RAF and wanting it to be highly influential, regarded, and productive. Three goals we can all support and work towards.

Please feel free to contact me if you have any questions about the charter.
